

Course Registration

Spring 2025

March 24, 2025

Quantitative and Research Courses

- ECN 422 - Introduction to Statistics and Econometrics (3 credits): Introduction to statistical methods and econometric techniques used in economic analysis. Prerequisites: ECN 301 or ECN 311, and ECN 302. [OBJ]
- ECN 505 - Mathematical Economics (3 credits): Application of mathematical methods to economic theory.
- ECN 521 - Economic Statistics (3 credits): Statistical techniques and their applications in economics.
- ECN 522 - Econometric Methods (3 credits): Advanced econometric techniques for economic data analysis.

Specialized and Elective Courses

:

- ECN 304 - The Economics of Social Issues (3 credits): Application of economic tools to current societal issues such as crime, education, healthcare, and environmental policies. Prerequisite: ECN 101 or ECN 203. [OBJ]
- ECN 310 - Special Topics in Economics (3 credits): Various special topics in economics offered as available. Prerequisites: ECN 101 and ECN 102, or ECN 203. [OBJ]
- ECN 365 - The World Economy (3 credits): Examination of the global economy, international trade, and finance.
- ECN 421 - Game Theory and Economic Strategy (3 credits): Introduction to game theory concepts and their applications in economics.
- ECN 431 - Public Economics (3 credits): Analysis of government expenditures and taxation policies.
- ECN 437 - Environmental and Resource Economics (3 credits): Economic analysis of environmental and natural resource issues. [OBJ]
- ECN 451 - Labor Economics (3 credits): Study of labor markets, wage determination, and employment policies. [OBJ]
- ECN 465 - International Trade Theory and Policy (3 credits): Examination of international trade theories and policy implications. [OBJ]
- ECN 481 - Introduction to Money and Banking (3 credits): Overview of monetary systems, banking structures, and financial markets.

Specialized and Elective Courses

:

- ECN 304 - The Economics of Social Issues (3 credits): Application of economic tools to current societal issues such as crime, education, healthcare, and environmental policies. Prerequisite: ECN 101 or ECN 203. [obj]
- ECN 310 - Special Topics in Economics (3 credits): Various special topics in economics offered as available. Prerequisites: ECN 101 and ECN 102, or ECN 203. [obj]
- ECN 365 - The World Economy (3 credits): Examination of the global economy, international trade, and finance.
- ECN 421 - Game Theory and Economic Strategy (3 credits): Introduction to game theory concepts and their applications in economics.
- ECN 431 - Public Economics (3 credits): Analysis of government expenditures and taxation policies.
- ECN 437 - Environmental and Resource Economics (3 credits): Economic analysis of environmental and natural resource issues. [obj]
- ECN 451 - Labor Economics (3 credits): Study of labor markets, wage determination, and employment policies. [obj]
- ECN 465 - International Trade Theory and Policy (3 credits): Examination of international trade theories and policy implications. [obj]
- ECN 481 - Introduction to Money and Banking (3 credits): Overview of monetary systems, banking structures, and financial markets.

ECN 304 - The Economics of Social Issues

| | Class | Section | Days & Times | Room | Instructor | Meeting Dates | Status | |
|----|--|----------|----------------------|---------------------------|------------|-------------------------|--------|--|
| 31 | 11888 Regular | M001-SEC | TuTh 3:30PM - 4:50PM | Life Science Building 001 | C. Liu | 08/26/2025 - 12/09/2025 | | |

ECN 310 - Special Topics In Economics

| | Class | Section | Days & Times | Room | Instructor | Meeting Dates | Status | |
|----|--|----------|----------------------|-----------------|------------|-------------------------|--------|--|
| 31 | 12101 Regular | M002-SEC | MoWe 2:15PM - 3:35PM | Eggers Hall 040 | K. Buzard | 08/25/2025 - 12/08/2025 | | |

Topic: Economic Research in Practice

| | Class | Section | Days & Times | Room | Instructor | Meeting Dates | Status | |
|----|--|----------|------------------------|-----------------|------------|-------------------------|--------|--|
| 31 | 12283 Regular | M005-SEC | TuTh 11:00AM - 12:20PM | MARLEY ROOM 220 | M. Ali | 08/26/2025 - 12/09/2025 | | |

Topic: Economic Development of Africa

| | Class | Section | Days & Times | Room | Instructor | Meeting Dates | Status | |
|----|--|----------|----------------------|--------------------|------------|-------------------------|--------|--|
| 31 | 13648 Regular | M006-SEC | TuTh 3:30PM - 4:50PM | Link Hall room 160 | A. Jonelis | 08/26/2025 - 12/09/2025 | | |

Topic: Economics of Emerging Markets

| | Class | Section | Days & Times | Room | Instructor | Meeting Dates | Status | |
|----|--|----------|------------------------|-----------------------|-----------------|-------------------------|--------|--|
| 31 | 21584 Regular | M008-SEC | TuTh 11:00AM - 12:20PM | Hall of Languages 202 | Y. Truskinovsky | 08/26/2025 - 12/09/2025 | | |

Topic: Health Economics

ECN 431 - Public Economics

| | Class | Section | Days & Times | Room | Instructor | Meeting Dates | Status | |
|--|-----------------------|--------------------------------------|----------------------|------------------------|------------|-------------------------|---|--|
|  31 | 11381 | M001-SEC Regular | TuTh 2:00PM - 3:20PM | Eggers Hall 018 | J. Kubik | 08/26/2025 - 12/09/2025 |  | |
| | 12195 | M002-REC Regular | Fr 12:45PM - 2:05PM | HB CROUSE KITTREDGE | Staff | 08/29/2025 - 12/05/2025 |  | |

A top-down photograph of an open notebook. The notebook has yellowish-orange pages with light blue horizontal ruling. A black pen lies diagonally across the right page. Two orange plastic spiral rings are attached to the left page, one near the top and one near the bottom. The notebook is set against a plain white background.

Complementary Majors/Minors

CAS|MAX: Learn more [here](#)

Quantitative Support

- Mathematics (BA)
 - Emphasizes creative thought processes
- Applied Mathematics (BA)
 - applying math to solve problems in other fields
- Statistics (BA)
 - The program is intended to equip students with a solid understanding of statistical concepts and methods, as well as practical skills to work with data.

CAS|MAX: Learn more [here](#)

- Political Science (BA)
 - study of governments, political systems, and public policies
- Policy Studies (BA)
 - formulation, application, and evaluation of public policy
- International Relations (BA)
 - Global Political Economy Minor
 - Global Security Minor
- Political Philosophy
- Geography (BA)
 - ESP (ILM BS)
 - Environment and Society (Minor)
- Language (Major or Minor)

Whitman School of Management:

Whitman Majors:

- Finance
- Accounting
- Business Analytics
- Supply Chain Management
- Real Estate
- EEE (Entrepreneurship and Emerging Enterprises)

Whitman Minors:

- Accounting
- Business
- Entrepreneurship and Emerging Enterprises
- Finance
- Marketing
- Real Estate
- Retail Management
- Strategic Management

I-School: Learn more [here](#) | ECS: Learn more [here](#)

- Applied Data Analytics (BS or minor)
- Innovation, Society & Technology (BS)
- Information, Management, & Technology (BS or minor)
- Computer Science (BS)
- IT Innovation, Design and Startups (minor)

Final Economics Peer Mentoring Meeting

3/24/2025

**Thank you all
for your
participation!**

The Blackboard organization will remain open if you ever want to look back at any presentations, resources, or participants! Also, feel free to contact any of us if you have any more questions!

Stipend Information

In order to get your stipend, you must fill out this form!

Or follow this [link](#).

Reminder: your attendance affects the amount you will receive.

How mentees will receive payment:

- Payments will be sent out as a check to the address you enter into the form UNLESS you set up a Non-payroll Direct Deposit account
- NOTE: Non-payroll Direct Deposit is *different* from Payroll Direct Deposit you might already have set up with the University
- **Instructions:** Log into MySlice. In the top right corner, switch from Student Home to Employee Home. Click on Non-Payroll Direct Deposit. Click add account. Fill in your bank information

Small Group Meetings

Take a minute to meet with your small groups and schedule your last small group meeting! This meeting should take place by April 14.

Mentors: Please keep filling out the [Small Group Meeting Check-in Form](#) after each small group meeting.

Small Group Discussion

- What economics electives have you taken, and which ones have you enjoyed/recommend?
- What classes did you take to fulfill university requirements (ie: IDEA, Social and Critical Reflection requirements, etc.), and what would you recommend?
- When did you take required classes, and how do you recommend spreading out different requirements?
- What's one piece of advice you have for creating a class schedule?
 - Do you like all your classes back-to-back? Do you like morning classes or afternoon classes? How do you balance scheduling classes with other commitments?
- How did you decide on a minor or second major?
